PLAYING THE GAME

I Luv Suits Poker is a seven (7) card poker game that lets players play against the dealer using seven (7) cards per player. The goal is to get a higher ranking flush with more flush cards than the dealer. There is a qualifier of a three (3) card nine-high flush for the dealer. If the player's hand beats the dealer's qualifying hand, the player wins.

Play begins with the player making an Ante wager and then they will receive a seven (7) card hand. The player then has the choice to make a play wager of 1 to 3 times their Ante wager depending on how many flush cards they have, or they may fold their hand.

Flush Rush Bonus and Super Flush Rush Bonus bets are optional bonus bets that may be made along with the base game wager. These bets win or lose regardless of the outcome of the base game wager.
